Industrial Grade Construction Adhesives

Our sales team is committed to providing the products you need to make every order complete. That's why we offer a full line of adhesives at each of our distribution centers. Choose from a selection of adhesives for laminate, veneer or other applications, including:

- Brush-grade
- Spray-grade
- Canister spray
- Wood glue

We offer a selection of environmentally responsible adhesive solutions that can help you meet sustainable building goals. Adhesives are available that deliver significant benefits, including:

- Reduced VOCs
- Formaldehyde-free formulations
- Improved durability

Products are available that have been Greenguard® Indoor Air Quality certified and Greenguard® Children and Schools certified.

Check with one of our sales associates for the adhesive product best suited to your next project.

ADHESIVES

CONTACT ADHESIVES

Our distribution centers stock a selection of contact adhesives for a variety of applications, including spray, roll and brush. Contact adhesives are used in many applications to bond a variety of substrates. These adhesives have excellent lay-flat properties for bonding wood veneer, laminate, cork, fabrics, etc. Please use according to manufacturer's instructions.

Hybond® Brush-Grade Adhesive

Item #	Type	Size	Description
H70N5G	Natural	5 Gallon	High solids neoprene roll or brush
H80NQT	Natural	Quart	Premium neoprene roll or brush
H80NG	Natural	Gallon	Premium neoprene roll or brush

- High solids
- Quick dry time
- Long open time
- High strength

Hybond® Canister-Spray Adhesive

Item #	Type	Size	Description
HCF2317	Clear	17 oz.	Non-flam/flammable canister
HCF23C38	Clear	38 lb.	Non-flam/flammable canister
HCF23R38	Red	38 lb.	Non-flam/flammable canister
SIA680NF	Clear Zero VOC	25 lb.	Non-flam/flammable canister

- Convenient & portable
- Fast tack, strong bond
- Temperature resistance to more than 200° F
- Water resistant
- Cost effective, high coverage rate (85-100 sq. ft. per lb.)

Hybond® Spray-Grade Adhesive

Item #	Type	Size	Description
H12N5G	Natural	5 Gallon	Premium high-temperature neoprene spray
H12R5G	Red	5 Gallon	Premium high-temperature neoprene spray
H36N5G	Natural	5 Gallon	High-performance neoprene spray
H36N55G	Natural	55 Gallon	High-performance neoprene spray
H36R5G	Red	5 Gallon	High-performance neoprene spray
H36R55G	Red	55 Gallon	High-performance neoprene spray

- Fast drying
- Easy application
- Long open time

TITEBOND® PREMIUM WOOD GLUES

Titebond® Original Wood Glue is the industry standard for woodworking. It provides a strong initial tack and sets fast to reduce clamp time. It also develops a bond stronger than the wood itself, offers excellent sandability and is unaffected by finishes.

Titebond White Glue is an exceptionally strong, economical white glue that sets faster than most other comparable glues. This versatile formula is ideal for general woodworking applications, as well as many other porous and semi-porous materials. It provides a translucent glue line, offers excellent sandability and is unaffected by finishes.

Titebond II Premium Wood Glue is the only leading brand, one-part wood glue that passes the ANSI Type II water-resistance specification. It is ideal for exterior wood-working projects, including outdoor furniture, birdhouses, mailboxes, planters and picnic tables. Titebond wood glue provides a strong initial tack, fast speed of set, superior strength and excellent sandability.

Titebond III Ultimate Wood Glue is a superior waterproof wood glue that is ideal for exterior and interior wood-working! It is stronger, safer, easier to clean up and less expensive than polyurethane glues. It allows eight minutes of open time and has an application temperature as low as 47° F. With one hour clamp time and a formula that does not foam, this is an exceptional wood glue.

Item #	Type	Size	Description
5064	Titebond Original	16 oz.	Aliphatic resin adhesive
5066	Titebond Original	1 gal.	Aliphatic resin adhesive
5067	Titebond Original	5 gal.	Aliphatic resin adhesive
15026	Titebond White Glue	1 gal.	Polyvinyl acetate
5004	Titebond II	16 oz.	Water-resistant
5006	Titebond II	1 gal.	Water-resistant
5007	Titebond II	5 gal.	Water-resistant
1414	Titebond III	16 oz.	Waterproof
1416	Titebond III	1 gal.	Waterproof
1417	Titebond III	5 gal.	Waterproof

Six Distribution Centers Serving the Southeast

We are committed to being your natural resource for hardwood lumber, plywood, veneers and a variety of quality cabinet supplies. As an industry leader, we continually upgrade our services and equipment to ensure on-time delivery for every order and the broadest possible offering of remanufacturing services. Six strategic locations throughout the Southeast allow us to provide top-notch service combined with competitively priced products.

Our premium hardwood is air-dried under sheds to guarantee flat, bright lumber. Covered air-drying sheds, computerized kiln controls, variable-speed fans, equalizing and conditioning ensure a consistent, high-quality product.

State-of-the-art computerized systems ensure that inventory is up-to-date and the highest quality standards are maintained in every process, from kiln drying to custom sorting. Please contact one of our six distribution centers for detailed information about product availability, custom orders and lead-times for specialty products.

Members of the Georgia Chapter of the Architectural Woodwork Institute (AWI), Wood Components Manufacturer's Association (WCMA), National Hardwood Lumber Association (NHHLA), the North American Building Material Distribution Association (NBMDA), and the Hardwood Distributors Association (HDA).
