

Providing Premium Appalachian Hardwoods to the World

Since 1952, we have been committed to providing the finest premium Appalachian Hardwoods to customers throughout the United States and around the world. We've grown from a single distribution facility to a family of forest products companies that processes, distributes and exports more than 50 million board-feet of lumber each year. Now offering Forest Stewardship Council (FSC)-certified products available upon request.

- 5 concentration yards
- 1.8 million board-feet kiln capacity
- 20 million board-feet of inventory
- Remanufacturing S2S, S4S, straight-line rip, gang rip and finger-joint blanks
